## Synopsis Books:

This book is a unique collection of 12 short stories that are of the contemporary fiction genre written in a first person narrative identifying one lead character in each storyline.

These short stories gently address the readers about the following valuable themes -

1. Some adventure, precious moments of tender love, care and togetherness that is more valuable than all the materialism in the world.
2. Living a blessed life filled with positive thoughts, compassion and insights.
3. Uplifting, thought provoking and unique lessons from life.
4. Serving as inspiration, rejuvenating family life.
5. Highlighting the values and virtues of being true to oneself, honesty and sincerity in discovering and following one's true goals and ideals.
