Synopsis Books:

How many times have you wished that you'd been taught Latin at school? Or that your history stretched all the way back to Greek and Roman myths and legends? Or perhaps you wish you knew all about the great inventions and medical developments that have made our world what it is today? A Classical Education provides all of these classical facts that modern schooling leaves out and many more. Perfect for parents who wish to teach their children and for those who would like to learn or relearn the facts themselves, A Classical Education is informative and educational, but in a completely accessible way.
