Synopsis Books:

Andrew Masterson has quietly spent his fifteen years in the tiny town of Skenny. But his world is quickly changed by a series of life-altering events in the span of one fateful week. Andrew will question all he has known about his family, life, and the Great Provider's teachings and protections. After the sudden emergence of remarkable ability, Andrew is forced into a journey that will take him far from Skenny. Shepherded by a seemingly menacing guide, he will meet the Great Provider and make his way through the dark, ominous wood known as The Harrowing. At the end of this journey lies the Tainted Isle and the unknown fate that awaits Andrew there
