Synopsis Books:

Subject: Navy SEAL Petty Officer Aiden Masters

Current Status: On leave

Obstacle: Deploy "Mission: (Fake) Engagement"without actually falling for his fiancé!

The goal of Mission: Engagement is simple a fake engagement concocted to bring happiness to Sage Taylor's ailing father.

The Rules:

- 1) Treat it like a military mission
- 2) Keep the truth undercover
- 3) The "engagement" lasts as long as the professor's health depends on it; and
- 4) No sex especially with each other!

But the incredibly spirited (and a touch quirky) Sage has never been one for rules. Especially when they involve Aiden's rock-hard navy bod and a ton of smokin'-hot sexual attraction. Which means in order to seduce this sexy SEAL, she'll have to completely outmaneuver him.
