Synopsis Books:

1948: an archaeological team in Turkey is slaughtered after making an earth-shattering discovery. More than fifty years later, a group of American archaeologists is murdered in the Judean desert. Chief Inspector Danielle Barnea of Israel's National Police is called to investigate, accompanied by Palestinian detective Ben Kamal, whose nephew was among the victims. Joining forces once again, Ben and Danielle are swept into a maelstrom of secrets and subterfuge that spans three continents. The duo closes in on a solution to a mystery that could destroy them at the same time as it changes civilization forever.
