## Synopsis Books:

Part love story, part literary mystery, Melanie Benjamin's spellbinding historical novel leads readers on an unforgettable journey down the rabbit hole, to tell the story of a woman whose own life became the stuff of legend. Her name is Alice Liddell Hargreaves, but to the world she always be known simply as Alice, the girl who followed the White Rabbit into a wonderland of Mad Hatters, Queens of Hearts, and Cheshire Cats. Now, nearing her eighty-first birthday, she looks back on a life of intense passion, great privilege, and greater tragedy. First as a young woman, then as a wife, mother, and widow, she experiences adventures the likes of which not even her fictional counterpart could have imagined. Yet from glittering balls and royal romances to a world plunged into war, she always be the same determined, undaunted Alice who, at ten years old, urged a shy, stuttering Oxford professor to write down one of his fanciful stories, thus changing her life forever.
