Synopsis Books:

Dear Author,

Look at us. Youd never believe what it took to get us to this moment. Im older than he is and it just was a HUGE stumbling block. Add in that Im successful and established and this cub is just getting started, and well, I didnt give him a chance. I didnt believe he was ready to commit, thought it was a temporary thing for him. Hes a persistent thing though, and was looking for love. Tell the story of how we got here, together, happy and secure.

Photo Description:

The photo is a typical candid shot of two men posing for a camera, in a darkened room, perhaps at a party or a bar. They are shirtless, showing off well-maintained bear-style physiques ripped muscles and hairy chests, and faces with stubble. One man is younger, with short dark-brown hair, and the other man is older, with slightly graying hair and stubble. They are both leaning into each other, heads touching. The younger man has his arm around the older mans waist, and the older man has his arm around shoulders of the younger man.

This story was written as a part of the [M/M Romance Group's "Loves Landscapes"](#) event. Group members were asked to write a story prompt inspired by a photo of their choice. Authors of the group selected a photo and prompt that spoke to them and wrote a short story.

This story may contain sexually explicit content and is **intended for adult readers**. It may contain content that is disagreeable or distressing to some readers. The M/M Romance Group strongly recommends that each reader review the General Information section before each story for story tags as well as for content warnings.
