Synopsis Books:

Louisa May Alcott (1832-1888) was a prolific and multi-talented American writer. Amongst her works are passionate, fiery novels, moralistic and wholesome stories for children, philosophical essays and letters. Her overwhelming success however, was with *Little Women: or Meg, Jo, Beth and Amy* (1868), a semiautobiographical account of her childhood years with her three sisters in Concord, Massachusetts. *Part Two, or Part Second*, also known as *Good Wives* (1869) followed the March sisters into adulthood and their respective marriages. *Little Men* (1871) detailed the characters and ways of Alcott's nephews who lived with her at Orchard House in Concord, and *Jo's Boys* (1886) completed the "March Family Saga. "
