Synopsis Books:

Hes destined to meet his mate on a killer vacation.

Horror author Mason Wells is having a midlife crisis. Hes burned out as a writer and he keeps falling for guys who are way too young for him. So when his agent, Nora, arranges a birthday getaway for him and a few close friends in the Spanish Sierra Nevada, it seems like just the break he needs until Nora is found drowned in the hotel swimming pool. It seems like someone has a hit list of victims, and Masons on it. Can the hotels gorgeous owner, Xavi, step in and keep Mason safe?

Lion shifter Xavi Bianco loves the peace and solitude of his boutique hotel in the mountains. Its a shame the place still holds the memory of his ex, Ramn. When the group of brash Americans arrive for a vacation, he doesnt expect to find himself falling for one of them. But everything tells him Mason Wells is his destined mate, bizarre as it may be, and when Masons friends fall victim to a series of horrific attacks, Xavi knows he must do everything to protect Mason, even if it means risking his own life
