Synopsis Books:

WOLF IN EXILE PART THREE: ASCEND

After Thanes breakout from Area S2, he ascends as Alpha of the ShadowRock Pack once again. His first priority is to stop the spread of an illegal drug connected to the Silex name. Discovery of its existence could shatter a thousand-year-old blood truce between wolf shifters and an ancient race of vampires.

The attraction between Thane and Kalena continues to burn even when they are apart. Thane has made it clear that she holds a special place in his heart. But while they are learning to love each other, trouble continues to brew

When it comes time for Kalena to expose information about Silex and the harmful drug, shes more than prepared to do it especially when it will help dozens of others like her. What she doesnt realize is that her willingness to help will lead to a revelation so shocking that her union with Thane will be jeopardized.

Ascend is Part Three of Wolf in Exile, a serialized shapeshifter paranormal romantic suspense that contains a cliffhanger at the end. Intended for Mature Audiences only.
