## Synopsis Books:

**The incendiary author of Begging for It and Asking for It again plunges readers into the shadowy depths of love, pain, pleasure and peril...**

How far is too far?

Finally sure of each other's strength and love, Jonah and Vivienne continue to explore their darkest fantasies together. However, what should be a night of ecstasy takes a dangerous turn, injuring Vivienne. She shrugs off the incident, but Jonah is haunted by it, particularly by the fear that others may believe he abuses her, or even glimpse the truth of their erotic obsession.

Then Jonah receives a call from his younger sister, Rebecca, who's dealing with trouble of her own in South America. When Vivienne travels with him to aid Rebecca, she learns yet more about his tortured history and Jonah opens up to Vivienne as never before.

Can Vivienne help Jonah cast off the shadows of his past forever?
