## Synopsis Books:

In 2011, Sarah Kay performed "B" at the TED conference in Long Beach, California to standing ovations. Now the video of that performance has been forwarded to mothers and daughters (and fathers and sons) all over the world. Originally written in 2007, "B" is a thank you note, a love letter, a wish, a promise, a confession, and a secret. With beautiful illustrations by Sophia Janowitz, "B" is finally available in this whimsical, magical book.
