## Synopsis Books:

CHARMED... Samantha knew she wasn't the first woman to feel brainwashed by her suburban utopia -- beautiful house, perfect children, attentive husband. But somehow none of it felt like hers. As it turns out, it wasn't. The kids are evil fiends, her husband's not even human, and her mother-in-law -- well, let's not even go there. AND DANGEROUS

The only man who can possibly help her is the unearthly Cor, shape-shifting leader of a mysterious race known as the Kin. Together they'll let nothing stop them from reclaiming Sam's life -- not the missing girl who holds the key to everything, not the demon hell-boars tearing up the Las Vegas strip in search of them. And definitely not the undeniable attraction they feel for each other....
