## Synopsis Books:

Our love is on his terms. He contacts me only through notes unpredictable and untraceable. When we meet, he can touch me, but I'm not allowed to touch him. When we make love, it's only after I have been bound and blindfolded. It's the only time I truly feel alive. Which is why I play along with it. For now.

Caden Thaine is the most sinfully beautiful man I have ever seen. But more than that, his touch sets me on fire. And dear God, do I ache for him. I don't know where he lives or even what he does. But this doesn't scare me. My only fear is that one day his messages will stop.

I know he's hiding something. But that's okay. I am hiding things, too. Like my real name and... who I really am. But what we have is enough. Sort of. And everything works

Until one day, I follow him.

Soon our dark pasts will collide and I will discover just how much we are both bound by lies.

Adult romantic suspense. +18 years.
