Synopsis Books:

I was a runner. Nothing terrified me more than being still with someone. Until him.

Cole Sampson's steady persistence halted me in my tracks, thrusting me into his world of love and unwavering trust. But as the secrets of both my and his worlds crackled and flared, they sparked a fire too large to contain.

I wanted to run again; but as I stood amongst the rubble I knew there was no outrunning Cole's world and what it had made me. There was no one to run to, anyway.

Because when you burn bridges, people go up in flames with you.
