Synopsis Books:

In this final installment of the Cera story arc, the noose around Lokis neck is tightening. Gerr, the frost giantess, wants him dead; Cera, the World Seed, wants his headliterally and figuratively; the FBI wants him in Guantanamo; and an old friend from Asgard wants to bring him home...whether Loki likes it or not.

Things cant get any worse, but when Lokis involved, its certain they will. In the third chapter of I Bring the Fire, humanitys demons are unleashed on the Nine Realms and Amy Lewis and Steve Rogers get front row seats.

Chaos might be their only hope.
