Synopsis Books:

An uplifting, inspiring and heartwarming story of a woman truly ahead of her time, City of Hope is the heart-rending but inspiring follow-up to Ellis Island

It is the 1930s and when her beloved husband, John, suddenly dies, young Ellie Hogan decides to leave Ireland and return to New York. She hopes that the city's vibrancy will distract her from her grief. But the Depression has rendered the city unrecognizable-gone is the energy and atmosphere of fun that Ellie fell in love with ten years before.

Plunging headfirst into a new life, Ellie pours all her passion and energy into running a home and refuge for the homeless. In return they give her the kind of love, support and friendship she needs to try and overcome her grief. Until, one day, someone she thought she'd never see again steps through her door. It seems that even the Atlantic isn't big enough to prevent the tragedies of the past from catching up with her.
