Synopsis Books:

Nobody says no to billionaire Sutton Buchanan.

Nobody with a survival instinct or an ounce of common sense, anyway.

Thats because hes a cruel, ruthless bastard who will stop at nothing to get what he wants including the curvy blonde artist who just gave him the brush-off.

Elizabeth Downing is desperate and time is running out. Her one chance at landing an exhibition at the Covington Art Museum has been shot down in flames. The shy, insecure artist cant give her art away, much less sell it. How was she going to continue supporting her disabled sister, without selling off a kidney?

Unfortunately for Elizabeth, her family tragedy is Sutttons opportunity. Sutton makes Elizabeth a shocking offer that no good man would ever suggest. But Sutton has never pretended to be a good man.

Now hes going to own her body and soul.

Hes going to push past her limits.

Hes going to see where her breaking point is.

But he wont make the same mistake his cousins made by falling in love with his plaything.

Elizabeths about to find out, the words love and mercy arent in Sutton Buchanans vocabulary.
