These three friends are dreading Christmas

The perfect festive treat for fans of The Archers, Carole Matthews and Veronica Henry.

Cat needs to get off the has-been heap and rescue her flagging TV career but the demands of her extended family are reaching fever pitch and she barely has time to breathe. Meanwhile, Pippa has got too many balls to juggle as a struggling single mum trying to hang on to her family farm. And Mariannes marriage is looking distinctly rocky now her beloved husbands ex is back on the scene.

Happy Christmas? Forget it.

But Christmas is a time for miracles, and when the villagers learn they must fight for what they love, it becomes clear that there is festive magic in the air.

Suddenly for Cat, Pippa and Marianne, its looking like it might just be a Christmas to remember
