## Synopsis Books:

When Mulek, son of King Zedekiah, secretly surfaces in Jerusalem some years after his escape, he brings with him a mysterious and legendary object: the curious compass reputed to have guided Noahs ark to safety. As Mulek seeks to conceal the coveted treasure, four other exiles approach the city: the sons of Lehi, who fled their homeland with the brass plates only to receive Gods decree to return and claim their intended wives, the four daughters of Ishmael. Sariah joyfully begins planning a wedding in the desert, but the long-absent brothers are hardly received with open arms, and securing their brides-to-be becomes a challenge as formidable as eluding the officials enraged by Labans recent murder. As persecution rages under the hand of Labans cruel successor and Babylonian armies gather for war, a young woman must risk her life to protect the Liahona, the compass that will lead Gods chosen people to the land of promise.

Beautifully written, deeply moving, and highly intense, Compass of God is a novel about a tumultuous and spiritually significant period of history that sweeps the reader along in the events that take a Book of Mormon prophet and his family into uncharted regions of time, place, and the human heart.

The cast of characters is richly diverse and compelling in this story of political intrigue, intricate family dynamics, and spiritual awakenings. Author David Woolley has once again created a masterful blend of intensely researched details, adventure, and drama, and he has an unerring grasp of the complexity of human relationships in this unforgettable story of love, betrayal, faith, and forgiveness.

Filled with page-turning action, this superb fifth volume in the Promised Land series has all the elements that make for outstanding historical fiction. It is a well-orchestrated, breathtaking symphony of adventure, romance, and a fever-pitched battle between the forces of good and evil.
