Synopsis Books:

Now that his rodeo career is over, Kade Danning has nowhere else to crawl but back home. He wishes he could just keep his head down, fix up his father's abandoned ranch and then sell it so he can afford to spend more time with his daughter. Move back, then move on--quickly. Unfortunately, after ten long years he can't avoid Libby Hale. Kade has loved Libby all his life and he'd give his championship titles never to have hurt her. But he did. And convincing her to forgive him is the hardest challenge he's ever faced--in or out of the arena.
