Synopsis Books:

As wedding bells chime in Kurland St. Mary, a motley group of visitors descends on the village and with a murderer on the prowl, some of them may not be returning home

Lucy Harrington has returned to Kurland St. Mary to help with her friend Sophia Giffins wedding. But her homecoming is made disagreeable by the presence of Major Robert Kurland, whose bungled proposal has ruffled Lucys composure, and a meddling widow who has designs on her father, the village rector.

Wary of the cloying Mrs. Chingsford from the start, Lucy has doubts about the busybodys intentions with her father. But everyone else seems to think they make an ideal match until the courtship is curtailed when Mrs. Chingsford is found dead at the bottom of a staircase. Its clear that it wasnt an accident, and in hopes of finding the culprit, Lucy and Robert call a truce and begin scrutinizing the wedding guests.

But the widow left behind plenty of enemies, and when one of them is the next to turn up dead, Lucy and Robert discover that the truth is far more scandalous than anyone could have imagined
