Synopsis Books:

New York Times best-selling author Troy Denning pens the 2nd novel in the Empires Trilogy, a saga set in the land of Kara-Tur within the Forgotten Realms.

The barbarian horde has breached the ancient Dragonwall and now threatens the oriental land of Shou Lung. Powerful as they are, the Shou armys only hope lies with Batu Min Ho, a young general who is himself a third generation descendant of Tuigan barbarians. But Batus wife must fight her own battle in the treacherous political terrain of the imperial court, as a psy attempts to undermine the emperors confidence in her husband. And if Batu is to retain his command and save Shou Lung, it is a battle she must not lose.
