## Synopsis Books:

Biblical and historical researcher David Montaigne says that the end of the Mayan Long Count on 21/12/2012 is the official start of the Bible's seven-year tribulation. Texts from ancient India tell us about great cycles of destruction. The Egyptians told the same basic story with different names. The Maya reveal another version of the story, and were very clear about the timing of events from December 2012 to 2019.
