## Synopsis Books:

From the world of Willy the Kinky Elf & His Bad-Ass Reindeer -

The North Pole isn't exactly as it appears in fairy tales. It has the elves and Santa and his reindeer, but Santa and Mrs. Claus aren't the jolly couple the world believes them to be. Far from it, actually. The reindeer are all shape-shifters who transform into gorgeous beings in human form and are respected by all.

Reindeer Evan is brand new to Santa's sleigh. When two reindeer are fired for voicing objections over the Chief Reindeer's elf, Evan is offered a chance to fulfill his lifelong dream and make his parents proud. Unfortunately his sworn enemy is hired at the same time. When the bullying reindeer takes things too far, Reindeer Derek swoops in and saves Evan from certain death. It's embarrassing enough for the rookie to have to be rescued, but he's also still a virgin. Being a virgin reindeer at twenty-one is unheard of in the North Pole, but Derek is more than eager to help him with that particular problem.

When things take a violent turn for both the elves and the reindeer, everyone must work together in hopes of saving Christmas. In the midst of it all, two reindeer might just find love along the way.
