Synopsis Books:

When three young friends, Porsha, Frankie and Sahara, decide to sublease an apartment from a mutual acquaintance, life becomes one big party for the girls. But the party comes to an abrupt end when they find out they've been fleeced for their money and an eviction notice is taped to their door. They have seventy-two hours to come up with the money or be tossed into the streets by the city marshals. Armed with various schemes, they set out to try and stop the eviction and find themselves caught in the crossfire of a bloody war between the Notorious Clark family and a new player in the game.

Meanwhile the police are still searching for the killer known only as The Animal, while his former lover Gucci tries to put the pieces of her life back together. When all is said and done, all parties involved will discover something about Animal and his abduction that no one was prepared for.

There goes the neighborhood, again!
