Synopsis Books:

Lawyer Megan Connors wants a man, one that will wine her, dine her, and help her to forget the pain of a date rape she experienced as a teen. Her boss, Adam Wentworth, is just the man--tall, dark-haired, blue-eyed, and a confirmed player. He's perfect for a weekend of non-committal sex that will entice her inner woman out to play for good. So Megan devises a plan for seduction, one that will lure Adam into her arms.

Adam has been attracted to Megan since day one, but his preference for dominance and her fragile air kept him at bay. Megan's kiss under forgotten mistletoe is just the fuel his lust needs to exceed the boundaries she once put in place. He's game, but he wants more than a weekend with the vulnerable yet sexy Megan.

When the weekend is over, will Megan allow the past to keep her bound or can Adam convince her shes strong enough to submit? Contains: Graphic and explicit language, really hot sex including anal, very light BDSM.
