Synopsis Books:

Laurence Dalziel is worn down and washed up, and for him, the BDSM scene is all played out. Six years on from his last relationship, hes pushing forty and tired of going through the motions of submission.

Then he meets Toby Finch. Nineteen years old. Fearless, fierce, and vulnerable. Everything Laurie cant remember being. Toby doesnt know who he wants to be or what he wants to do. But he knows, with all the certainty of youth, that he wants Laurie. He wants him on his knees. He wants to make him hurt, he wants to make him beg, he wants to make him fall in love.

The problem is, while Laurie will surrender his body, he wont surrender his heart. Because Toby is too young, too intense, too easy to hurt. And what they haveno matter how right it feelscant last. It cant mean anything.

It cant be real.
