Synopsis Books:

Stop wasting your precious time and hard-earned money on dates that go nowhere.

Are you ready to start having sex with more girls than ever before, faster than ever before?

After reading Fuck on the First Date you will be an expert in transforming pointless platonic chats into fast-paced sexual adventures.

In this book, you will learn:

- *How to fast track the entire process of courtship into a single date
 - *Where to take a girl on a date so that you have maximum physical contact
 - *How to make your date flow seamlessly, so that you "magically" end up in bed
 - *One simple trick that can revive dates that are going down the toilet
 - *How to work around a girl's "last minute resistance" by finding her trigger points
- ...and much more.**

Whether you've had a frustrating history of failed dates or you're just a guy who wants more **sex on the first date** than he already gets, Fuck on the First Date will help you consistently get laid quickly and easily.
