## Synopsis Books:

Emma had lived a life of rebellion, but God called her out of it, reviving her soul by his grace. She still couldn't fully surrender her will to Christ, however. In her second book, she shares more of her life story, focusing on the ending of an abusive marriage and the impact of tragedy on her career. Emma shares her sins and mistakes with transparency and honest emotion, showing what it took for God to transform her heart.

Moving between personal storytelling, Biblical reflection, and political application, Fumbling through Grace is a book that can encourage every struggling Christian.
