## Synopsis Books:

"I finished Ginger's Heart last night, and I am completely and utterly in love." Mia Sheridan, NY Times bestselling author  
**From *New York Times* bestselling author Katy Regnery**, a modern-day fairytale about the many faces of love.

Once upon a time there were two cousins:

one golden like the sun,

one dark like midnight,

one a protector,

one a predator,

one a Woodsman

and

one a Wolf

both owning equal,

but different,

parts of a little girls heart.

In this contemporary love story, loosely inspired by "Little Red Riding Hood," the woodsman and the wolf are cousins, and Little Red is the girl with whom they both fall in love.

Beautiful Ginger McHuid, daughter of Kentucky's premiere horse breeder, grows up on her family farm, best friends with Cain Wolfram, the son of her father's Stallion Manager, and Cain's cousin, Josiah Woodman, son of a local banker. Throughout their happy childhood, the three are inseparable friends, but as they mature into adults, complicated feelings threaten to destroy their long history of friendship and love.
