Synopsis Books:

From the moment she laid eyes on sweet Ceri, Reagan knew she would be lost forever. A Sidhe Royal, though, could never return such feelings for a War-Child...

As the daughter of the Fae Goddess of War, Reagan was sworn into service to the Sidhe monarchies before she was born. Her contract forever binds her to the beautiful goblin princess, Ceridwen. When an unseen enemy threatens the Fae Courts, Ceridwen is caught in the attack, and Reagan must fight to the ends of the earth to save her. But will this battle tear her away from her princess forever?
