## Synopsis Books:

### The second book of Godforsaken, Shade of Light series

*Lucifer cannot be stopped. His goals? Capture Lily, and use her to unlock the secrets of Eden.*

To save Lily from Lucifer's clutches, Samael broke the Torah's rules and spirited her away to Eden - but Lucifer will chase them down with everything he's got.

The gray-winged archangel can't withstand Lucifer's powerful army alone. He and Lily need help from Heaven, but Heaven's laws prevent them from intervening in the conflict to come.

There is only one way to let Michael and the other archangels fight for Eden's survival. For Samael, this battle is one giant chessboard, and to win this high-stakes game, he has no choice to sacrifice one of his pieces...

Lily was the key to the door which opened this war, but Samael is the key which will close it.

This battle for Eden is going to change everything.
