## Synopsis Books:

Poor, dear Cindy Bixby is a total loser. Has been all her life. But now as she enters college, Cindy hopes to shed her loser ways -- get some friends and maybe even (dare she think it?) get a boyfriend. Her first move out of loserdom: pledge Alpha Beta Delta. There Cindy meets Meri Sugarman. Meri is not only beautiful, she controls the sorority, a position that gives Meri more power than...well, maybe not God, but certainly any person within a one-hundred-mile radius. (How, you ask? Think of today's technology and what you could do with it if you were so (illegally) inclined. Get the picture?;-) )Meri teaches Cindy that she, too, can be perfect. She can be beautiful, sexy, and popular, influence teachers and politicians, and even have a boyfriend! But when the new Cindy crosses into Meri-only territory (hint: where there's trouble, look for boy), new -- very scary -- Meri emerges. And Cindy realizes that behind all that beauty is an evil beast that must be stopped.
