Synopsis Books:

Sweet, shy Lady Esme has a little-known pastime-penning scandalous stories! But society must never find out or she'll be ruined! Fortunately, her dear friend, USA Today bestselling author Jennifer Haymore, is happy to share Esme's sensual tale of lost love and second chances . . .

HIS FOR CHRISTMAS

Lady Amelia Witherspoon simply must get home to her beloved family on Christmas Eve. So when a terrible storm threatens to leave her snowbound, she refuses to admit defeat-even if that means sharing a carriage with Evan Cameron, the last man she ever hoped to see . . .

Evan can't fathom why his oldest friend is as icy to him as the winter wind. All he does know is that Amelia is still the loveliest, most tempting woman he's ever laid eyes on. Their only option is to take refuge together at a nearby inn, sharing the one remaining room. Evan promises to be a gentleman . . . but it's a promise neither of them wants him to keep.
