## Synopsis Books:

Sterek

When Stiles returns home to help his father recover from an injury, he discovers that things have changed somewhat in his absence: Derek is working closely with Stiles' father, around the house and underfoot, generally annoying and disconcerting Stiles with his presence.

Well, Stiles isn't sure you could call all the sex they end up having annoying, but he isn't really willing to call it anything else, either.

Words:34570 complete
