Synopsis Books:

A cop dies in the city, life goes on. For one little boy, though, it changed everything. Haunted by his past, Maxwell Thomas has grown up homeless and friendless, trapped by his guilt. Prowling the city, the small man guards the Church District like a vigilante, trying to make up for his crime. When he rescues the wrong rent boy, he is pulled back into the madness that destroyed him as a child. And now, another cop's life is on the line...

Nick Kenna is a beat cop with dreams of being a detective. When he stumbles across a murder and the very unusual suspect, he finds himself caught, not only by the mystery of the vagrant he's apprehended, but something deeper that sparks between them.

Will Nick be able to save Maxwell, from his past and himself? Or will love be lost as the broken man fades into the shadow of his hero?
