Synopsis Books:

How many ideas have there been in the history of man which were unthinkable ten years before they appeared?

Fyodor Dostoyevsky

To transform the world and society, we must first transform ourselves.

Ho Chi Minh

Compelling both as a reader and reference work, Leonard Roy Franks Influencing Minds assembles concentrated granules of commentary on that most delicate projectthe shaping of the human mind.

Frank is an aphorist and editor of The History of Shock Treatment. Peter Schrag, author of Mind Control, has written, The History of Shock Treatment is without question not only the most comprehensive collection in the field, its also a major contribution to the history of science.
