## Synopsis Books:

"Island Ghosts" is a 3,000-word short story originally published in the now out-of-print hard-boiled DIME detective anthology (Futures Mysterious Press). It serves as an introduction to David Bain's Will Castleton stories, which include the full-length novel DEATH SIGHT and THE CASTLETON FILES story collection. Watch for two new Will Castleton novels coming soon: PURGATORY BLUES and RETURN TO ANGEL HILL (w/ C. Dennis Moore).

In "Island Ghosts", "slightly psychic" U.S. Marshal Will Castleton's tropical vacation is no escape from his past. The reporter who cashed in on the tragedy resulting in Will's psychic abilities is hot on his trail as Will races time through a hurricane to save a woman's life.
