Synopsis Books:

After spending most of his life in captivity, Sarmin now sits upon the Throne of Cerana. But his reign is an uneasy one. And the emperors own heart is torn between two very different women: Mesema, a Windreader princess, and Grada, a lowborn untouchable with whom Sarmin shares a unique bond. In times past, a royal assassin known as the Emperors Knife served to defend the throne from menace, but the last Knife has perished and his successor has yet to be named. Sarmin must choose his own loyal death-dealer . . . but upon whom can he bestow the burden of the Knife-Sworn?

Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a *New York Times* bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
