A Ghost Tale for Christmas Time

Their mission from Merlin the Magician? To help the famous writer Charles Dickens! In a magical whirl, the Jack and Annie are whisked back in time to Victorian England and the foggy streets of London. There they discover that Charles Dickens has everything he could possibly want. How can they help him? It is not until Mr. Dickens rescues them from being thrown in jail that they discover his secret past and the sad memories that haunt him. They will need all their magic--and help from three ghosts--to keep the great writer from ruining his life!

A Crazy Day with Cobras

Merlin's beloved penguin, Penny, has been put under a spell! Now it's up to Jack and Annie to find the four things that will break the spell. The first is a rare and precious emerald. When the magic tree house whisks them back to India over four hundred years ago to search for the jewel, they discover an amazing and exotic world filled with great danger. Will Jack and Annie find what they're looking for? Will they avoid the wrath of the all-powerful Great Mogul, survive a crazy ride on a wild elephant, escape an attack by king cobras--and make it back to the magic tree house alive?
