Synopsis Books:

Recitesc dup mai mult de 30 de ani de la aparitie Marele singuratic i ce constat? C lectura merge, nti, greu i c, atunci cnd vine vorba de lumea satului, verva naratorului crete subit i stilul epic capt fluen. Stilul redevine meticulos, puin mpiedicat ndat ce prozatorul face analiza unui sentiment complex: iubirea dintre un nsingurat ncpnat i bnuitor (horticultorul Niculae Moromete) i o pictori inteligent i puin sofisticat (Simina Golea), trecut printr-o csnicie nefericit (cu brutalul Victor Ptracu), obsedat de talentul ei nesigur.

Roman autobiografic? ntrebat, prozatorul evit s dea un rspuns. Un roman, oricum, n care eroii din Moromeii i dau, parc, o ntlnire de adio ntr-un epilog n care au loc iubiri profunde i nefericite, gelozii i crime dostoievskiene, comentarii morale acute i pertinente i analize bune, verosimile, de ordin existential. Este domeniul i stilul n care Preda a excelat totdeauna

EUGEN SIMION
