Synopsis Books:

Bartender Beth Grant has sworn off men after yet another failed relationship, but when a friend dares her to dance with a handsome stranger, she's tempted by the fantasy. Jake turns out to be dashing, charming and very rich, everything Beth avoids. But she can't resist, and one dance turns into an evening of exquisite passion. Beth vows not to repeat a night like this, despite liking the mysterious Jake--a lot.

Successful business owner Jake Masters knows he's met his dream girl the minute he lays eyes on Beth across the crowded dance floor. But the next morning she disappears and all he has is her first name. Jake vows to go to any length to get more than one night with Beth, and when he discovers she has a jaded past, he puts his heart and soul at risk to prove he's the one.
