## Synopsis Books:

### Are you the Fallback Girl?

If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a casual relationship, you've likely tried to change them, wondered what you did to cause this, what you can do to win their love and commitment, or even whether you're going crazy.

Mr. Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here.
