## Synopsis Books:

Mallory Shepard s wedding planning business is off to a shaky start when a member of the bridal family drops dead at a food tasting . . ."

Mallory hopes to unveil her new B&B just in time for her first ceremony as a wedding planner. The renovations to Thistle Park the mansion she inherited in small-town Port Quincy, Pennsylvania are almost complete. But what Mallory didn t plan on is the bride s aunt being poisoned at the wedding tasting and her perfect venue becoming a crime scene.

Adding to the mystery is the discovery that this is not the first murder in the bridal family, and as Mallory becomes engaged in her own investigation she learns the man convicted of the crime may not be guilty. Now she has two crimes to solve before the bride walks down the aisle but a killer has other plans to ensure that Mallory forever holds her peace . . .

I had great fun reading the adventures of nouveau sleuth Mallory Shepard as she wrangles corpses, kittens, and a cheating fiance in this charming debut mystery. Laura Levine, author of "Murder Has Nine Lives"
