## Synopsis Books:

The wedding ceremony is over, and the couple is on their way to Hawaii. After so much build-up for the big night, how will Ethan handle it? Sam has no idea, and while shes pretty sure shes ready, shes still a bit nervous. Who wouldnt be? Most newlyweds dont ride bicycles up and then back down dormant volcanos for fun on their honeymoon, but Sam and Ethan arent the average couple. They find lots of fun things to do on the islands and in the ocean, and Ethans creativity knows no bounds when in the privacy of their secluded beach house.

If youve read [Safeword Matte](#) and [Safeword Matte -- In Training](#), youve been waiting for the honeymoon. Heres hoping you enjoy it as much as Sam and Ethan.
