Synopsis Books:

High Quality Content by WIKIPEDIA articles! Oh! Calcutta! is a punk rock album by the Chicago, Illinois band The Lawrence Arms, released in 2006 by Fat Wreck Chords. It is the band's fifth full-length album and their third to be released on Fat Wreck Chords. In comparison with their previous album The Greatest Story Ever Told, Oh! Calcutta! is considerably faster-paced and more aggressive, resembling more closely their earlier albums. It also finds Chris McCaughan and Brendan Kelly sharing vocal duties in an almost duet style, while on previous albums the two had split most of the lead vocals between songs.
