Synopsis Books:

Orange Petals in a Storm: A spiritual, inspirational story to feed the soul. In Skyla's world, we find shelter from every hazard and outlive the longest night.

A bedraggled and bruised eleven-year-old child races through the rain-drenched streets of East London as though the hounds of hell were after her. She tries to reach the home of her childhood, a home that was hers until her mothers recent death. What becomes of Skyla McFee once she arrives there? From whom does she run?

This is a story about a wonderful child who endures great suffering at the hands of her stepfather. Though she lives in a harsh reality, she evolves spiritually despite, or perhaps because of the hurt she suffers. The magical way she transcends her unbearable life through her inner world transports us into the hauntingly beautiful world of the imagination. Telling you that Skyla triumphs over her situation is not a spoiler because as you get to know her, you realise there is no other way. She must triumph because of who she is.
