## Synopsis Books:

**The start of a Military SF series from imprint best-seller and Tom Clancy game series writer Jay Posey.**

Captain Lincoln Suh died on a Wednesday. And things only got harder from there.

Snatched out of special operations and thrown headfirst into a secretive new unit, Lincoln finds himself as the team leader for the 519th Applied Intelligence Group, better known as the Outriders. And his first day on the job brings a mission with the highest possible stakes.

A dangerously cunning woman who most assuredly should be dead has seemingly returned. And her plans aren't just devastating, they might be unstoppable.

How do you defeat a hidden enemy when you can't let them know they've been discovered?

You send in the Outriders.
