## Synopsis Books:

Lilly's family has an extraordinary secret, one they have kept for four generations. Lilly's proud to be different and special. At Halloween she's happy to stay at home and cast spells with her mum and her Grandmother rather than go out trick or treating like the other kids. At 12 years old, she thinks she knows it all.

But then Lilly becomes unsettled by odd events, like seeing the sinister man in the white shoes staring at her while she walks the dogs, and then local children start to go missing. When her mum doesn't come back from one of her regular night-time jaunts, Lilly's Grandmother thinks it's time to tell her the whole story. Lilly has second thoughts about whether her family's secret is a blessing, or a curse...
